Early Records of First Presbyterian Church, Syracuse

EDITORIAL NOTE

The "Genealogical Society of Central New York" was organized in 1898. Monthly meetings have been held from that time. Various papers have been read at these meetings, which are valuable contributions to genealogy and local history. It is the purpose of the Society to preserve some or all of these papers by printing them, and also to print various records not yet available to the public, especially records of the character contained in this Bulletin. It is also intended to print family genealogies in part and various other genealogical matter. It is proposed to select for each Bulletin an editor having especial knowledge or facilities in respect to the subject matter.

The present officers of the Society are: Watson Gill, President; Seymour H. Stone, Vice-President; D. J. Francis, Secretary; (E. P. Howe, Acting Secretary in the absence of Mr. Francis); G. L. Merrill, Treasurer, all of Syracuse, N. Y.

The following records of marriages, baptisms and admissions to the First Presbyterian Church of Syracuse (with the exception of a few later entries) were made by the Rev. John Watson Adams, D.D., pastor of the church from its organization in 1826 to his death in 1850.

Quite a number of fully verified additions and corrections have been made. These records extend from an early period in the history of the village, to a short time after the incorporation of the city of Syracuse, and embrace the names of very many of the pioneers of this place. It is believed that they constitute a collection of genealogical and historical facts of considerable value.

A. JUDD NORTHRUP.
